**Roe Boulevard Improvements**

**What's Happening**

The City of Roeland Park is kicking off the Roe Boulevard Improvement Project. The project identifies and proposes the following four phases: Visioning, Planning, Design, and Construction.

We are currently in the Visioning Phase now through summer 2017. Construction should begin during 2018. The project is a \$1.5M project with local resources and state funding through the Surface Transportation Program.

This survey is available through April 2017 and made easy with Digicate.

**Roe Boulevard Opinion Survey**

The City or Roeland Park is kicking off the Visioning Phase of the Roe Boulevard Improvements Project. When you imagine an improve Roe Boulevard in the City, what do you envision in terms of beautification ideas, crossing locations for pedestrians and motorists, and/or other improvements?

Use this survey to share your ideas with us!
