

Compost Bin Rebate Program Guidelines

The purpose of the City of Roeland Park Compost Bin Rebate program is to encourage backyard composting among our residents incentivizing the purchase of compost bin or the materials to make a bin. The City will provide a one-time rebate per household of up to \$75 for those who attend a composting workshop through the City of Roeland Park and up to \$40 for those who do not attend a workshop.

Eligibility:

1. Applicants must live in a single-family or duplex property within the corporate limits of Roeland Park.
2. No more than one incentive will be awarded per household.
3. Those attending a composting workshop offered in partnership with the City of Roeland Park will receive priority for a rebate. Workshop dates will be announced on our website.
4. Those attending a workshop are eligible to receive a rebate of up to \$75. Those who do not attend a workshop are eligible for an incentive of up to \$40.
5. Incentives are available for qualifying purchases made after January 1st of the calendar year.

Incentive Regulations:

1. Those eligible for an incentive up to \$75 must attend a composting workshop hosted in partnership with the City of Roeland Park.
2. Those attending a composting workshop will be prioritized for the rebate which will be provided on a first come first serve basis.
3. Those not attending a workshop are eligible for a rebate of up to \$40 and will be considered after all workshop attendees have received rebates. Those applications will be accepted on a first come first serve basis.
4. Applicants must provide a receipt of purchase of a compost bin or materials to build a compost bin. Receipts must reflect purchases made on or after January 1st .
5. If choosing to build your own bin, a photo of final product must be submitted with the application upon completion of the bin. Staff reserves the right to visit the property to see the compost bin to ensure its installed at the home of a resident.
6. All compost bins must be built of sturdy materials, hard plastic, wood or a composite material and have a lid.
7. Costs for ancillary composting supplies or services are not eligible for the incentive.
8. The City of Roeland Park is not a manufacturer, supplier or guarantor of compost bins. The City of Roeland Park makes no representations or warranties of any nature, directory or indirectly,

express or implied as to performance, reliability, performance, durability, condition or quality of any compost bin or manufacturer.

9. These guidelines are subject to change without prior notice, and the City of Roeland Park reserves the right to refuse any application or request for incentive payment for items that do not meet all program requirements.
