- Approve minutes from July

Guests:

- Mallorie Hubert- prospective committee member, approve?
- Kustom Signals- presenting idea for traffic garden

Discussion/updates/new items:

- Nall Park Master Plan- City Council update

Public Comment/ Concerns:

- Trash issues in the pavilion

Completed in last month:

Open Action Items : (will discuss next month, on here for record keeping)

All Parks/Trees:

- Anthony/Team would still like to have a fun event for this group- potluck in R Park
 - Emma agreed to help!
 - Start with a date survey for this group
- Discuss addressing vandalism in the Parks/PW in the Parks

- Reminder on Neighborhood watch- the Chief has some great information on Parks watch
- Watering- Anthony is working on a bid for it
 - Anthony still working on for irrigation, on the list for a Objective
 - Donnie working with Anthony on it- PW focused
- Sign Committee- update

Social Media/Community Outreach

- Jaime, Sarah, Kailee, Emma
- Will be a new agenda item section for our meetings

Cooper Creek:

- updates- **Judy**
- Play equipment update/balance beam?
 - Daniel should be working on finalizing
- Any updates on erosion
 - Habitat Architects are planting native trees, starting review
 - Will review the tree growth every year
- Underivable natives- Habitat

Nall Park:

- Update on timeline and budget- Master Plan- approval from Council?
- Goats to clear Nall- check them out
 - Generate excitement about our future plans in Nall Park
- Timeline reminder- Construction is moved out to 2026, money for new PW this year and 2025 Nall Park is community center phase 2, due to timeline constraints
 - Next steps:
 - Select/Finalize vendor to update the master plan
 - Discuss ideas with Design/Construction vendor
 - Master plan (work with) and the City Engineer
 - Both Parks and Council approval
 - Community forum/feedback
 - Dots exercise or other means of feedback
 - Group planning and review of detailed plans/any edits
 - Final plan/any changes requires Parks and Council approval
 - Execution
 - Sewer work has impacted the trail- any updates (no longer getting response from Urban Trails)-
 - *Ask PW if it's a safety issue as far as the sewer work portion*
 - *KS Heavy is going to fix it with sod, grass, adding signage to stay on the trail*
 - Anthony got ahold of someone with the contract for Urban Trails
 - need ideas for future trail maintenance still
 - A Federal Land and Water Conservation grant for contribution of costs to the Nall Park- possibly for inclusive play.
 - Vendor will support us to investigate the grants

R Park:

- Discuss R Park Bathroom Safety - Locks

- Future discussion on R Park planting/watering
 - \$2200 reserved for this **already** in the R Park “bucket” from Citizens Fundraising for R Park
 - irrigation
- Colors for R Park post- painting Teal
 - Can paint match and do this shortly
- R Park- "Mighty Bike" Sculpture- *Matt/Laura*
 - Progress meeting, engineers have drawn everything, need a contract
 - New finance director Micah will help alleviate some burden with this
 - Matt out at the Park with the head of the project for PW, asked by the City of their contract will take on the Might Bike project
 - Donating their services
- R Park- Wildflower Meadow Subcommittee- Jaime
 - Extra dirt with Roe project
 - Next steps on Seed mix and digging holes to plant- likely October
 - Maybe Bishop Meige can help again?
 - There is a club that does something like that at Bishop Miede
- R Park-Large trash cans and recycling bins
- Omission on the plaque- update?
- One of the infant seats is broken on the swings

Sweaney:

- Small play structure?

Other Parks (no agenda items listed):

- Carpenter, Juniper Granada, any updates from group?- not today

Next Regular Parks Meeting September 13, 6 pm

Parking Lot

- R Park
 - Maple tree on NE corner- appears to be sickly- see if needs to be trimmed/removed- **PW**
 - To address in spring, place in parking lot
 - Basketball court-*Better basketball goals might be better and other options for a light re-surface*
 - Estimate?
 - Consider for objective next year, council project, 2-3 council members?
- Birch tree on NW corner- erosion
 - **Daniel**- eroding on south Side of the tree- something may need to be engineered-Laura talked to Daniel, they are going to wait and see what happens with drainage
- Sweaney – play structure
- Tree/Art markers
 - Making adjustments to the objective
 - Project will be around 13-16 K
 - 2024 budget item

- **Anthony/Daniel** will work to incorporate Arbor Master's tree inventory for a tree replacement schedule for entire Park system. Budget to be established.
- We will push Bridge the Gap Foundation and Contain the Rain JoCo resources to community.
Presentation in new year?
- Islands and Medians open for adoption
 - do we want that to be available, under Donnie's purview
 - Traditionally available, but program is not coherent/available- parking lot until website is available
- City website- make ability to rent Pavilion/shelters easier/easier to find?- any updates?- Sarah- ask Kelly
 - On the page for the specific parks and Navigation for How do I would be good additions (put on pause to send in for a couple months)- do in April
 - <https://www.roelandpark.net/facilities/facility/details/rpark-7>
