Michael Kelly

Elizabeth Kelly
Judy Hyde

PURPOSE. The purpose of the Environmental Sustainability Committee is to make recommendations to the Governing Body concerning issues relating to or affecting environmental sustainability.

DUTIES AND RESPONSIBILITIES.

It shall be the responsibility of the Committee to review current uses and practices as they relate to environmental sustainability, including a review of the City's own practices and procedures, and to make recommendations to the Governing Body relating to policies, guidelines or programs, including but not limited to, maintaining and enhancing air quality, reducing waste disposal and need for landfills, increasing awareness of the need to conserve natural resources and generally educating the public on methods to protect the environment.
