Approval of November 30, 2023 meeting minutes.

Unfinished business

Anna reported on the progress of her research and future direction—the Shawnee tribe with the emphasis on our area, e.g. the old mission school. Somewhat tricky as the Shawnee were located in several areas of North America at various times. Also several Shawnee groups, legit and non-legit.
Meeting Adjourned at 6:50 p.m.

Continued discuss about the Santa Fe Trail and how seen by Native Americans.

Kate will begin reaching out to those who have responded to our invitation to participate in the oral history part of our work.

NEXT MEETING: 6 p.m., January 25, venue to be City Hall.

Respectfully submitted,

Jim Grebe
