 - 1. Final installation notes for Origin were discussed. Pictures from Nathan Pierce the sculptor were shared. We are on target for a March Installation.
 - 2. Celebration for the dedication of Origin was discussed. A mid-May dedication will be planned. Dates will be discussed at our next meeting.
 - 3. Trash Can Update- Jonna shared information from New Again on estimates for New Again to restore trash cans. It was discussed that new trash cans will probably be best due to the condition of the current cans. Matt is going to discuss with Parks and they can pursue the project.
 - 4. Hasna's Sculpture- There is still no decision on what to do with the sculpture. We will still look for options of placement of the sculpture. If we can't find a location we will return it to Hasna.
 - 5. Placement of a mural- We decided the pool side of the Community Center Building is the best side of the building to put a mural.
 - 6. Update on Brochure- We agreed we want 3 bids for the brochure. We will check into getting a bid. Jonna is going to check into criteria for the brochure.

7. AARP Challenge Grant- Jan suggested we provide a new shed for the community Garden. Benches were also discussed. Marek and Mary will work on the grant.
8. Goals and Objectives for City Council- It was decided that a Master Plan for the Arts Committee will be the goal for 2025.
9. Placement of Art Sculptures on Roe- There was discussion by City Council about putting some art Sculptures back on Roe. We mentioned we had discussions with staff and consultants at that time and had agreed several locations not now available and there was at least one plan agreed to.
