

MINUTES  
AQUATICS ADVISORY COMMITTEE MEETING  
October 15, 2024, 6:00 PM Roeland Park Community Center, Buena Vista Room

The meeting was called to order at 6:03

The following members and city staff were in attendance:

- Elizabeth Baddeley
- Mike Calovich
- Emily Hage
- Gabrielle Kempf
- Anthony Marshall
- Jason Wiens

Not attending:

- Amie Logan
- Tom Madigan

**Unfinished Business**

*Pool Plaque:* Anthony provided a status update on the pool plaque, saying the plaque was ordered and that half of the cost has already been paid. Anthony will check toward the end of October with the supplier if he has not received an update before then about when it will be completed.

**New Business**

*Recommendation Exercise:* Committee members engaged in an exercise to surface and consider ideas the Committee may want to formally recommend to the City. More than two dozen ideas were considered, with five receiving two or more votes. The Committee discussed these ideas and will formally consider them at the November meeting

*School Passes:* The Committee discussed a planned workshop to be held by the Governing Body in the coming week in which the Governing Body would consider an idea to give resident rate season passes to students, families, and faculty at Roseland Elementary School. Various views were shared and debated before the Committee voted unanimously that it would like to reconsider this idea (including its cost and administrative implications) in order to make a more informed recommendation to the Governing Body.

The Committee adjourned at 7:08 pm

Next Meeting: November 12, 2024
